# MY MENTAL HEALTH

**15.35% of adults had a substance use disorder in the past year, yet 93.5% did not receive any form of treatment.**

**1 in 5 adults in U.S experiences a mental illness in any given year.**

## OUR MISSION

**1 in 5 adults in the United States experiences a mental illness in any given year.** That means that each of us knows somebody who is living with a mental health condition. Substance Use Disorder is often a byproduct of untreated mental health challenges. My Mental Health provides award winning, confidential, programs free of charge. My Mental Health is making a difference in the lives of those who need it most.

- My Mental Health is a 501(c)(3) nonprofit that free provides immediate access to award-winning Virtual Recovery programs.
- Our free app, eliminates obstacles such as insurance, copays, and the inability to take time away from work and personal responsibilities.
- The app provides assessments, tests, programs, and tools for all stages of recovery in a confidential HIPPA compliant format.
- My Mental Health is improving lives by delivering 24/7 resources which would otherwise be inaccessible.
