MY MENTAL HEALTH

20% of adults had a substance use disorder in the past year, yet 93.5% did not receive any form of treatment.

1 in 5 adults in U.S experiences a mental illness in any given year.

OUR MISSION

Deliver Free Evidence based mental health programs to the entire community. In fact, 1 in 5 adults in the United States experiences a mental illness in any given year. That means that each of us knows somebody who is living with a mental health condition. Substance Use Disorder is often a byproduct of untreated mental health challenges. My Mental Health provides award winning, confidential, programs free of charge. My Mental Health is making a difference in the lives of those who need it most.

- **My Mental Health is a 501(c)3 nonprofit provides free immediate access to award-winning Virtual Recovery programs.**
- **Our free app, eliminates obstacles such as insurance, copays, and the inability to take time away from work and personal responsibilities.**
- **The app provides assessments, programs, and tools for all stages of recovery in a confidential HIPAA compliant format.**
- **My Mental Health is improving lives by delivering 24/7 resources which would otherwise be inaccessible.**
